Our Raven area is dedicated to cutting-edge menswear brands from around the world. In addition to a tightly edited selection of the most directional brands, Raven includes a Special Projects area dedicated to exploring creativity in all its forms.

For SS19, CIFF has brought together leading innovators Virgil Abloh, Naomi Campbell, Olafur Eliasson, Nick Knight, Frederic Ottesen and Peter Saville for "Enlightenment", a special project in support of the Little Sun Foundation, co-curated for CIFF by Stavros Karelis and Sami Janjer.
